

EDUCATION DEPARTMENT[281]

Adopted and Filed

Pursuant to the authority of Iowa Code section 256.7(5), the State Board of Education hereby amends Chapter 24, “Community College Accreditation,” Iowa Administrative Code.

These amendments to Chapter 24 incorporate changes to the Department’s administrative rules that establish accreditation standards for Iowa’s community colleges. Several definitions are added to or amended under rule 281—24.3(260C). Several subrules and paragraphs in rule 281—24.5(260C) are revised, including those in which additional state standards pertaining to faculty qualifications, faculty load, and special needs are added. The amendments to subrule 24.5(1) align the Department’s standards for faculty with those of the Higher Learning Commission (HLC) (formerly the North Central Association of Colleges and Schools), the regional accrediting body for Iowa’s community colleges, whose standards have recently been revised and are effective September 1, 2017. New paragraph 24.5(1)“c” establishes a statewide task force to develop procedures, guidelines and documentation and ensures ongoing compliance with HLC standards. The amendment to paragraph 24.5(2)“b” lifts the daily restriction on the career and technical education faculty load (maximum 6 hours) and simply maintains the aggregate 30 contact hours per week. The amendments to subrule 24.5(3) change the catchwords of the subrule from “special needs” to “special needs and protected classes” to align with Office for Civil Rights language; the amendments also expand the standard by incorporating other categories protected by state or federal civil rights legislation. These amendments align the Iowa Department of Education’s accreditation processes with those of the HLC, the regional accrediting body.

An agencywide waiver provision is provided in 281—Chapter 4.

Notice of Intended Action was published in the December 7, 2016, Iowa Administrative Bulletin as **ARC 2853C**. Public comments were allowed until 4:30 p.m. on January 6, 2017. A public hearing was held on January 6, 2017. No one attended the public hearing. No comments were received. These amendments are nearly identical to those published under Notice. One change was made in subrule 24.5(4) to change the word “educational” to “education” for consistency.

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code sections 260C.47 and 260C.48.

These rules will become effective March 22, 2017.
